

VILLAGE OF LOCKLAND

Traffic Disruption Permit Application

Name / Organization: _____

Address of requestor: _____

Phone number of Requestor: _____

Date of request: _____ for Date(s) _____

Location (separate requests are required if traffic disruptions are anticipated in several locations)

Purpose of request: _____

Notification of businesses and residents in area of closure is required no less than seven days in advance.

Dumpsters must be highly marked with DOT tape and cones at all times. Dumpsters may not block street to a point that traffic cannot drive around it.

Street closings must have detour signs located around closure. All signage must meet ODOT, Hamilton County, and Lockland standards.

Village office staff will circulate this application to the Police, Fire, and Public Works Departments. The permit will not be issued without the approval of each department.
