HALLOWEEN

Trick or Treat in the Village of Lockland will be Saturday, October 31, 2020 from 6pm to 8pm.

We understand there may be some parents that do not feel safe participating in door to door trick or treat, please consider other alternatives for your children to enjoy Halloween. Community Members, if you do not feel safe handing out candy, you may consider other creative ways to distribute treats to the children in your neighborhood.

Let's make this a Safe and Fun Halloween for all!

FALL LEAVES

Leaves will be collected at curb side on Mondays and Tuesdays, October through December (except holidays) weather permitting. Do not rake leaves into the gutters; it is not possible for the equipment to get in such tight areas. Grass clippings, sticks, and rocks can damage and clog the equipment. These piles will not be picked up.

CANCELLATION NOTICES

Due to COVID restrictions and recommendations from the State and County Health Departments, the annual Boo Bash Halloween Event and the Fire Department Turkey Raffle will be cancelled for 2020. We look forward to hosting both events in the fall of 2021.

Village sponsored Youth Basketball and Cheer will be suspended for 2020. Unfortunately, the school district multi-purpose gym that we use for practice and games is currently set-up as a cafeteria so that the school district can provide a safe, social distance lunch area for the students. The safety of our youth will always be our priority. We look forward to continuing to host the program for the 2021 season. Thank you for your understanding.

MAYOR'S CORNER

Happy Fall everyone! I want to thank each and every one of you for your understanding and cooperation as we navigate these unprecedented times. Because of the pandemic, the Village has cancelled Boo Bash and the Turkey Carnival. We hope to bring back both events bigger and better next year. We will make a decision concerning our "Santa" event sometime in November. I would certainly ask that when in public that everyone continue to take precautions against Covid-19 by wearing a mask and practice social distancing. Stay safe everyone and may God bless our Village.

Mayor Mark Mason Sr.
