CORONAVIRUS UPDATE

The Village continues to closely monitor the Coronavirus Pandemic (COVID-19) in coordination with Hamilton County Public Health, State of Ohio, and the Centers for Disease Control and Prevention. Our top priority is to protect the health and safety of our residents as well as our employees. We have taken significant action to our protocols to limit exposure and spread of the virus. Please continue to protect yourself and others by taking these precautions: stay home, wash your hands often, disinfect highly used surfaces, wear a mask while in public and practice social distancing.

We understand the pandemic continues to be a difficult time for all and want to assure you we will continue to provide essential services to all residents to the best of our ability. Thank you for your cooperation and understanding.

If you have questions or concerns, please contact Village Administrator Krista Blum at kblum@locklandoh.org or 513-761-1124.

SNOW EMERGENCY GUIDELINES

Snow emergency in Lockland is in effect whenever a snow emergency is declared in the City of Cincinnati. With or without a snow emergency, primary streets will be plowed and treated first, secondary streets will be plowed when all primary streets have been cleared. Even if a snow emergency is not declared, it is advisable to park your cars off the street if snow is expected.

PARK RESERVATIONS AND HALL RENTALS

Park reservations begin May 1st. Please note that reservations may need to be cancelled due to Covid-19 restrictions. Construction is underway on a new playground; it is currently projected to be completed by May 1st. Please be aware that if it is not, there may be construction during the time of your rental. An announcement will be made when more information is available.

The Village is currently not accepting reservations for the recreation hall. There is currently no projected date of availability, but an announcement will be made when it is available.

MAYOR'S CORNER

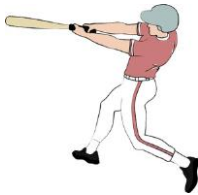

The last couple of weeks have indeed been challenging with the weather. I know we're all thankful for the tireless job the Public Works Department has done in keeping the Village streets clear this winter. Also thankful for our Police, Fire and Water Departments for the fine job they all do regardless of the weather conditions. Also, if you have an elderly neighbor who doesn't receive very many visitors, I ask that you pay them a visit and please check on them during this cold spell.

A great sign that warmer temperatures are on the way is baseball/softball sign up period. The open registration is winding down quickly so please get your children signed up soon. Take care and stay safe!

Mayor Mason
